

Fancy Colored Diamonds

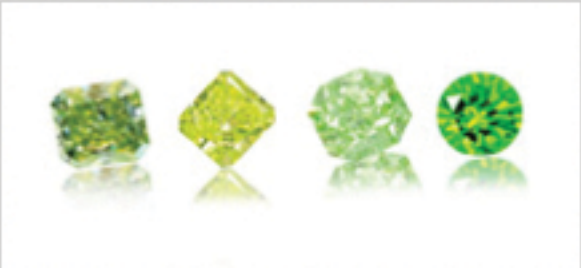

BLUE DIAMONDS

BROWN DIAMONDS

YELLOW DIAMONDS

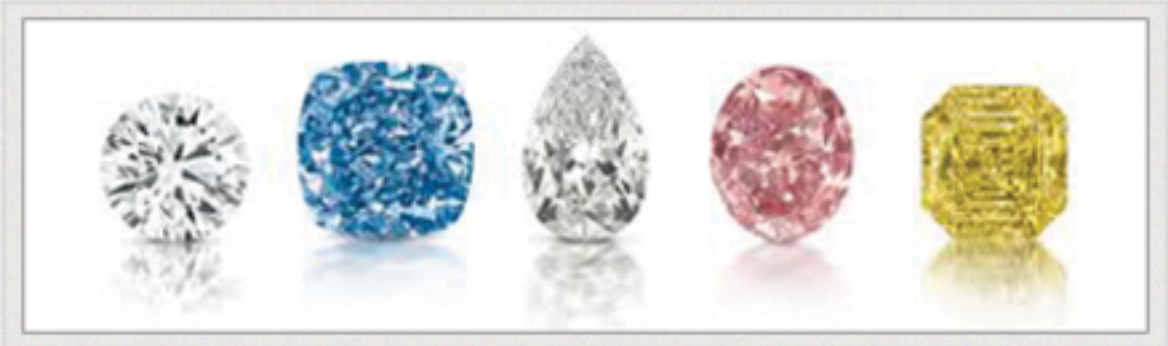

GREEN DIAMONDS

ORANGE DIAMONDS

Certain diamonds are called 'Fancies'. These stones have intense natural colours that in some cases are very rare and command exceptional value. These stones are not colour graded with the scale above. Brown and yellow diamonds are the most common members of the Fancy group and have a distinct beauty of their own. Reds, blues and greens are extremely rare and highly sought after by designers and collectors. Colours are available in Blue, Brownish Pink, Greyish Black, Green Pink, Pinkish Brown, Yellowish Brown, Yellowish Green, White, Off White, Yellow and Brown.

Fancy colors are generally graded and categorized as following
